

Stormwater Fees: How to Identify and Get Credits

June 25, 2009 7:30 - 10:00 AM

The City of Jacksonville's new Stormwater Utility Management Fee (SUMF) program that was rolled out in 2008 caught many off guard—some even unaware until the invoice arrived last May. Many companies were not able to take advantage of the "Adjustments and Credits" provision to receive up to 50% in fee reductions for their programs already in place.

And... you can expect this year's billing to be more than last year!

IT IS NOT TOO LATE TO APPLY FOR AND RECEIVE CREDITS FOR THIS BILLING CYCLE!

Attend this workshop to learn how you can put cash back in to your company's operating budget. Experts from the City of Jacksonville as well as members who have successfully applied for and received fee credits and adjustments will be sharing their expertise on....

- ✓ Understanding the credits and adjustments available
- ✓ Required documentation
- ✓ Application and submission process
