RE: **The Crane Awards** - Employee Recognition Awards Banquet
DATE: May 17, 2010

First Coast Manufacturers Association would like to invite you to participate in a very special evening designed to honor *YOUR* outstanding employees. *All* members are encouraged to get involved. The banquet will be held from **6:30-9:00 PM, Friday, September 17, 2010**, at the **UNF University Center** (12000 Alumni Drive, off Kernan). A special award will be presented to each recipient and each will be featured in the printed program, as well as the local media. There will be a local celebrity to bestow awards.

This award was named in honor of A. Crane Jones, Jr., one of the founders of FCMA. The Crane Awards Banquet was created to recognize outstanding employees of FCMA members' firms who are employed in line or staff positions not above the level of supervision.

Each company establishes its own criteria to choose its award winners. Application and guidelines are included in this packet to assist you. If you need ideas on how to promote the program in your company, we will be happy to assist.

The number of awards each company can give is based on the size of the company (Manufacturer or Associate members). Please note that small companies are highly encouraged to participate. Companies can give team awards as well (maximum of 3 teams may be recognized per company; team size, no limit).
