Update on… Health Care Reform

Please join us for an interactive discussion of the status of health care reform. Laura Andrew, who has been reporting on and speaking about health care reform for the past two years, will bring us up to date on the current status of health care reform, including a discussion of its current impact on employers and individuals. She will also discuss strategies for complying with health care reform requirements now and in the future, as well as a discussion of the constitutional and legislative challenges to the health care reform laws.
