SELL YOUR SERVICES TO MAJOR MANUFACTURERS

Atlantic Marine, CSX, Gerdau Ameristeel and Vistakon want to do business with local companies.

On September 11, FCMA is presenting one of the most unique network opportunities ever for FCMA Manufacturers and Associates. You will be able to network one-on-one with purchasing director of four of Jacksonville's (and the nation's) largest manufacturers.

HOW:

- 1) Get close and personal during a workshop/luncheon, where you can provide your sales information to key manufacturers' procurement and purchasing officers, while they interact with you on the needs they have. Here you can turn a cold call to a strong sales opportunity.

Cost – Only \$75 per person – LIMIT 100 PEOPLE!

- 2) Continue your networking by playing golf with the key manufacturers' representatives. Each foursome will be teamed with a representative. Here's a chance for a hole in one, regardless of your handicap! Only 36 spots available – limit 2 per company.

Cost – Only \$225 per person for seminar, luncheon and golf – LIMIT 36 PLAYERS!
